Deal of the Year shortlists announced for M&A and private equity

Emilio Demetriou-Jones

Latin Lawyer is delighted to announce the shortlisted transactions for the private and public M&A and private equity categories of our 14th annual Deal of the Year Awards.

For each category, three deals or cases have been selected for the shortlist and are listed below. The winners will be announced on the night of our charity awards ceremony at the Hotel Unique in São Paulo on Thursday 7 May.

The dinner is being held in aid of three of the region's pro bono clearinghouses. More information and tickets are available [here](#).

We congratulate all the lawyers who took part in these leading deals and cases and look forward to presenting the winners with awards. The shortlists for the remaining categories will be announced over a series of upcoming briefings.
