### Demarest advises Syngenta on the acquisition of Agrocerrado

Demarest advised Syngenta Comercial Agrícola on the acquisition of 100% of the capital stock of Agrocerrado Produtos Agrícolas e Assistência Técnica, previously held by HA Participações, LAM Participações Eireli and HL Empreendimentos e Serviços Agrícolas.

Agrocerrado's main activities are the commercialization, distribution, import, export, consignment and representation of chemical products for use in agriculture, pesticides of any nature, seeds, fertilizers and agricultural commodities, among others.

Demarest relied on partner Gabriel Ricardo Kuznietz, Daniel O. Andreoli, Marcello Pedroso (pictured top from left to right), Renato Canizares (pictured bottom left) and Roberto Casarini (pictured bottom right); and associates Ara Jo, Debora Sejtman, Dora Pimentel Mendes de Almeida, Luiza Peralta, Otavio Cividanes and Renato Dale.
